I am offering this training to work with you and your employees in supporting the health and welfare of the youth in Queen Anne's County and surrounding counties. As the Community Traffic Safety Program Coordinator, I would ask for your assistance in having your employees (ie; owners, bartenders and servers) to attend the scheduled TIPS class for our licensed alcohol retail vendors.

Queen Anne's County has an underage drinking and underage drinking and driving concern and your assistance is necessary to avoid alcohol sales to minors.
